The Medical University of South Carolina, Department of Stomatology, Division of Periodontics has been using cadavers for continuing education in order to teach advanced bone grafting surgical procedures since 2001.

ADA CERP® | Continuing Education Recognition Program

The MUSC College of Dental Medicine is an ADA CERP recognized provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The MUSC College of Dental Medicine designates this activity for 21 hours of continuing education credits.
